Why God Made Moms

Answers given by 2nd grade school children to the following questions:

Why did God make mothers?

- She's the only one who knows where the scotch tape is.
- Mostly to clean the house.
- To help us out of there when we were getting born.
- So I would have one.

How did God make mothers?

- He used dirt, just like for the rest of us.
- Magic plus super powers and a lot of stirring.
- God made my Mom just the same like he made me. He just used bigger parts.

What ingredients are mothers made of?

- God makes mothers out of clouds and angel hair and everything nice in the world and one dab of mean.
- They get their start from bones. Then they mostly use string and scotch tape, I think.
- My mom is sort of soft like marshmellers. So I guess God used marshmellers.

Why did God give you your mother and not some other mom?

- We're related.
- God knew she likes me a lot more than other people's moms like me.
- God thought I looked a lot like my mom.

What kind of little girl was your mom?

- My Mom has always been my mom and none of that other stuff.
- I don't know because I wasn't there, but my guess she would be pretty bossy.
- They say she used to be nice.

What did mom need to know about dad before she married him?

- His last name.
- She had to know his background. Like is he a crook? Does he get drunk on beer?
- Does he make at least \$800 a year? Did he say NO to drugs and YES to chores?

– Continued from front

Why did your mom marry your dad?

- My dad makes the best spaghetti in the world. And my Mom eats a lot.
- She got too old to do anything else with him, so she married him.
- My grandma says that Mom didn't have her thinking cap on. Who's the boss at your house?
- Mom doesn't want to be boss, but she has to because dad's such a goof ball.
- Mom. You can tell by room inspection. She sees the stuff under the bed.
- I guess Mom is, but only because she has a lot more to do than dad.

What's the difference between moms & dads?

- Moms work at work and work at home and dads just go to work at work.
- Moms know how to talk to teachers without scaring them.
- Dads are taller & stronger, but moms have all the real power 'cause that's who you got to ask if you want to sleep over at your friend's.
- Moms have magic, they make you feel better without medicine.

What does your mom do in her spare time?

- Mothers don't do spare time.
- To hear her tell it, she pays bills all day long
- She moves everything in the house around and buys flowers.

What would it take to make your mom perfect?

- On the inside she's already perfect. Outside, I think some kind of plastic surgery.
- I like her hugs so much I'd like 3 more every day and she'd be perfect.
- Diet. You know, her hair. I'd diet, maybe blue or pink.

If you could change one thing about your mom, what would it be?

- She has this weird thing about me keeping my room clean. I'd get rid of that.
- I'd make my mom smarter. Then she would know it was my sister who did it and not me.
- I would like for her to get rid of those invisible eyes on the back of her head.

To all the mothers:
Happy Mother's Day! What a blessing you are to your family.

Also congratulations to our Bayfield Graduates, Jessica Huffmyer, Trinity Taylor, and Christopher Taylor, as they have their commencement this afternoon. May 19th will be the Ignacio graduation and we congratulate Cody Haga in completing his work there. May 20th we will celebrate with these and with Trevor Cundiff who has completed the requirements of High School work through a home school program.

I am really pleased with us recognizing Mike, Joe, Bart, and Frank as other special servants. All four of these men with their uniqueness really add to the overall leadership of this congregation. We are blessed to have eight men serving this congregation as deacons. May the Lord open our eyes to see the work that is before us and faithfully commit to it.

–Love, Gene
